

Influence That Takes a Stand

Titus 1:10-16

Godly influencers are willing to take a stand.

Who They Are (10-12)

- They were rebellious
- They were empty talkers
- They were deceivers
- They were Jewish religionists
- They needed to be silenced
- They were disrupting whole households
- They were seeking personal gain
- They had a sorry reputation

What To Do About Them (13-14)

“Rebuke them sharply”

Why?

**So that they might become sound in the faith

**So that they might cease from their man-made religious rules

What They Need (15-16)

They were:

- Detestable
- Disobedient
- Disqualified

They needed humble, patient influencers, led by the Holy Spirit, with the goal being restoration, even conversion. Those who took a stand!
