Our Love Distinguishes Us as Jesus' Disciples (John)

Love is commanded by Christ.

Love is practiced within the church.

Love is observed by the world.

Our Mission Declares the Authority of Jesus (Matthew)

We make disciples of all nations.

We teach obedience to Christ.

Our Witness Demonstrates the Love and Mission of Jesus

We demonstrate the gospel through our life together.

We declare the gospel through deliberate disciple-making.

We depend on Jesus' presence as we fulfill His mission.
